

Healthy Chef BAKING MAT

The Healthy Chef Baking Mat is a nonstick raised silicone mat with 351 raised contours allowing air to circulate, so food never touches the bottom of the sheet or pan and is cooked evenly. If you're preparing something like bacon or onion rings, fat and grease drain to the bottom giving crisp results.

- Large 11" x 17", can be trimmed to any size
- 100% food-grade silicone
- Oven safe up to 428° F
- Microwave & dishwasher safe
- Easy to store
- Can be used as a baking mat, jar opener, pot holder, drying rack, trivet, and more
